

Short/Doyle Medi-Cal (SD/MC) HIPAA Crosswalk  
Alcohol and Drug Programs (ADP)

These crosswalks are for HIPAA transaction testing purposes and will change as new substance abuse procedure codes are approved by CMS.  
(Revised September 8, 2003)

**Title 22 Definitions:**

**Narcotic Treatment Program (NTP)** means outpatient services using methadone and/or levoalphacetylmethadol (LAAM), directed at stabilization and rehabilitation of a person who is opiate addicted and have a substance abuse diagnoses. Narcotic treatment program does not include detoxification treatment for DMC billing.

**NTP Group and Individual Counseling** can exceed 1 unit of service (UOS) per claim line (**one 10 minute increment equal 1 UOS**) but cannot exceed **20 UOS** ( 200 minutes) of counseling per month per client (combination of Group or Individual). NTP group counseling shall be conducted with no less than **four and no more than 10 clients at the same time**, only one of whom needs to be a Medi-Cal beneficiary.

**NTP Methadone Dosing** can exceed 1 unit of service (UOS) per claim line, the number corresponding to the number of treatment days. **Use the monthly rate for full month of service.**

**NTP LAAM Dosing** cannot exceed 1 unit of service (UOS) per day or **13 UOS per month**, cannot be every day.

**Day Care Rehabilitative Services** means outpatient counseling and rehabilitative services provided at least three (3) hours per day, three (3) days per week to persons with substance abuse diagnoses, who are pregnant or in the postpartum period, and/or to Early and Periodic Screening Diagnosis, and Treatment (EPSDT) eligible beneficiaries, as otherwise authorized in statute.

**Naltrexone Treatment Services** means outpatient treatment services directed at serving detoxified opiate addicts who have substance abuse diagnosis by using the drug Naltrexone, which blocks the euphoric effects of opiates and helps prevent relapse to opiate addiction. **Face to Face, 1 service day, and 1 unit of service.**

**Outpatient Drug Free Treatment Services** means an outpatient service directed at stabilizing and rehabilitating persons with substance abuse diagnoses.

**Individual counseling** means face to face contacts between a beneficiary and a therapist or counselor. Telephone contacts, home visits, and hospital visits shall not qualify as Medi-Cal reimbursable units of service. **Individual counseling sessions 50 minutes in duration.**

**Group Counseling** means face to face contacts in which one or more therapists or counselors treat two or more clients at the same time, focusing on the needs of the individuals served. For **DMC** outpatient drug free treatment services group counseling shall be conducted with no less than **four and no more than 10 clients at the same time**, only one of whom needs to be a Medi-Cal beneficiary. **Group counseling sessions 90 minutes in duration.**

**Perinatal Residential Substance Abuse Services Program** means a non-institutional, non-medical, residential program which provides rehabilitation services to pregnant and postpartum women with substance abuse diagnoses. Each beneficiary shall live on the premises and shall be supported in her efforts to restore, maintain, and apply interpersonal and independent living skills and access community support systems. Programs shall provide a range of activities and services for pregnant and postpartum women. Supervision and treatment services shall be available day and night, seven days per week.

**Postpartum** means individuals who meet the criteria specified in Sections 50260 or 50262.3(a). Only pregnant and postpartum women are eligible to receive residential substance abuse services.

**NOTE:**

- Place Of Service Code "22"** Outpatient Hospital.
- Place Of Service Code "55"** Residential Substance Abuse Treatment Facility.
- Place Of Service Code "57"** Non-Residential Substance Abuse Treatment Facility.

**Face to Face Visit**= 1 service day equals 1 unit of service.
